

CHAPTER 19

(Use with Section 2, textbook pages 449–454.)

Reinforcement Worksheet 73

Organizing Information on a Map

Locate each of the following places by writing its number on the map. Then write a brief description telling how each place was involved in the cold war.

1. Berlin _____

2. France and Italy _____

3. Greece _____

4. Iran _____

5. Turkey _____

Answers to Reinforcement Worksheet 73

The map should be marked with the numerals 1–5, corresponding to the places listed beneath the map.

1. After the Soviet Union blockaded the city from Western support, the United States and Britain carried out a massive airlift of food and supplies.
2. The Marshall Plan provided economic aid that strengthened these and other Western European nations against Communist influence.
3. The United States stepped in to help the Greek government crush a Communist rebellion.
4. In 1945 Soviet troops refused to pull out of Iran. In 1946 the Soviets pulled out in exchange for the right to drill oil, a right the United States persuaded Iran to withdraw.
5. The United States helped Turkey block Soviet demands for a naval base on Turkish territory.
